diseases of like character are classed as skin diseases, when they could just as properly be called blood diseases, for they undoubtedly originate in the blood, like Cancer, Catarrh, Scrofula, Rheumatism, Contagious Blood Poison, etc.; like Cancer, Catarrh, Scrofula, Rheumatism, Contagious Blood Poison, etc.; the only real difference being in the intensity and nature of the poison. The more serious diseases, Cancer, Catarrh, etc., are caused by some specific poison or virus, which is either inherited or in other ways gets into the blood and attacks certain vital organs or appears in the form of terrible sores and ulcers, while the milder and less dangerous skin diseases are caused by blood humors or an over acid condition of that fluid. These acid poisons, as they ooze out through the pores of the skin, cause great irritation, with intense itching and burning. The eruption may be of a pustular kind, with excessive discharge of thick, gummy fluid, or the skin may be hot, dry and feverish, swollen and fissured. Skin diseases,

I can cheerfully and most sincerely endorse your specific as a cure for Ecsema, the most irritating and annoying disease, I think, that feek is heir to. I was troubled with it for twenty-five years, and tried many remedies with no good effect. After using your medicine a short time I think I am entirely relieved. You can give this statement any publicity you may desire, as it is voluntarily made, more for those afflicted than neteristy for myself.

Very respectfully,

\*\*S18 West Central.\*\*

Wichita, Eans.

sores, blotches or pimples, become more deeply root-ed and intractable the onger neglected, the skin in time having a thick, hard, rough and unsightly appearance. You can hide the blemishes for a time with cosmetics; and washes, lotions, soaps and

whether they appear as

porarily the itching and burning, but eventually the pores of the skin become so clogged up by this treatment that the poisonous matter thrown off by the blood cannot pass out of the system, and settles on the lungs, heart or some

other vital organ and endangers life.

To purify and build up the polluted blood is the right treatment for skin diseases, and for this purpose no other medicine is so deservedly popular is 8, 8, 8. It is a perfect antidote for all blood humors, and when taken into the circulation, gently but thoroughly eliminates all impurities and puts the blook in a healthy, normal state. The skin can't remain in an irritated, diseased condition when nourished with rich, new blood. S. S. S. is the buly quananteed purely vagetable remady, and the entest add best skin beautifier. Write our skypletant if you have any blood or skin disease, and they will chearfully
